

2006 LACUE AWARDS

DEADLINE: NOVEMBER 1, 2006

SUBMIT TO REGIONAL TLTC FACILITATOR

The Louisiana Association of Computer Using Educators wishes to again recognize those educators who have effectively integrated the use of computers into the educational process. Regional winners will be selected in each category by regional TLTC. These outstanding professionals can be nominated in the following classifications:

1. Elementary Teacher of the Year (K-6)
2. Middle/Junior High Teacher of the Year (6-9)
3. Secondary Teacher of the Year (9-12)
4. Post Secondary Teacher of the Year
5. Administrator of the Year (Non-classroom Personnel)
6. Educator of the Year
7. Special

Each nominee should be an educator who is using computer-based technology in an innovative fashion. The first four awards will be given to educators who have made their contributions in a classroom setting. Award five will be given to a person in a non-classroom setting (including state administrators). Award six will be given to the most outstanding nominee regardless of their level of instruction. Award seven will be given to an outstanding volunteer, parent, or student who significantly contributes to a school's technology program.

Nominations will be accepted from teachers, students, administration, parents, etc. The awards program is open to all educators associated with private, public, and parochial schools located within the state of Louisiana.

Letters of nomination should be typed, double-spaced, and no more than three pages. They should include the name, address, parish, and phone number of the nominee and nominator. Letters should describe the precise reason why the nominee should be considered. All nominations must be submitted to the appropriate TLTC and postmarked or emailed by November 1, 2006.

A state award winner will be named from each of the seven categories. These individuals will be recognized at a special awards luncheon at the LACUE conference.
