Submit to present at #LACUE19 Today!

December 10-12, 2019

Hyatt Regency in New Orleans

What are we looking for?

Types of Sessions:

- **Concurrent** - a 50-minute presentation held in rooms for up to 200 attendees. Attendees will have a variety of session topics to choose from by experts and innovators who are making a difference in the PK-12 education spectrum.
- **Innovation Stations** - Located in the Exhibit Hall - Come and Go, 2-hour, hands-on sessions where you get to experiment with interactive and innovative technologies that enhance creativity and learning.
- **Ignite Sessions** - Located in the Exhibit Hall - Small group, fast-paced, 30-minute talks.

Strands:

TRANSFORM through Teaching and Learning

TRANSFORM through Leadership

TRANSFORM through Creation and Exploration

Innovation Station Topics - 2 Hour Sessions

- **Creativity (Create)** - These sessions will spotlight how you and/or your school is creating things using everyday tools to promote the engineering movement.
- **Makerspace (Make)** - These sessions are all about the maker movement. From early childhood to high school, share how you and/or your school is promoting computational design thinking using technology.
- **Explore (Robotics/Coding)** - From Spheros to Microbits and everything in between, share how you and/or your school is promoting robotics and coding in instruction.
- **Transform (AR/VR)** - These sessions will highlight the world of augmented reality. Share how you and/or your school is incorporating the world of augmented reality with the content standards.

Ignite Station Topics - 30 Minute Sessions

- **Hear Our Pitch** - In a short 30 minute session, share your expertise about what is new and current in technology.
- **Skill Builders** - These 30-minute sessions held in a mini-theater will be the venue where you can lead hands-on demonstration sessions to share "How-To" skills which participants can take back to the classroom and use right away!
- **STEAM Theater** - These 30 minute sessions held in a "theater" built in the Exhibit Hall will be the venue where you can share lessons and discuss the best tools and techniques.
- **Can We Chat?**

Have a specific topic on your mind? For this 30 minute session, you create the topic/agenda for others to join in and share best practices and resources.
